

Hi Neighbour,

I live in your neighbourhood and as part of a company initiative, I am participating in a **Socially Distant Food Drive** to help our Food Banks.

This difficult time has left many families struggling and the Local Food Banks overworked and under supplied. I work for The Authentic T-Shirt Company®/SanMar Canada and we're hosting a Socially Distant Food Drive!

If you are able to help, place any amount of non-perishable food items out your front door and I will be back to pick it up on
(Date/Estimated Time)

I will then deliver all donations to our local food bank or grocery store collection sites.

If you would prefer to make a cash donation, you can do so here:
<https://www.foodbankscanada.ca/>

Thank you in advance for your help,

Follow us on Facebook for updates on our Socially Distant Food Drive!
