

Socially Distant Food Drive “Walk”

This is a difficult time for everyone. Some are feeling it emotionally, some are feeling it financially and some just need a little something to do!

Your Opportuni-Tee Team has a fun project that is sure to help us all out, but especially our local food banks which are in desperate need right now.

How does it Work?

1. Walk around your neighbourhood and leave the attached note on people's doors or in their mailboxes.
2. Don't forget to mark the day and time that you will return and sign your name.
3. Come back on the day that you have specified on the flyer to collect the food items.
4. Don't forget to take and send pictures/video to danicas@sanmarcanada.com or text to 604-341-2978
5. Drop the food items at one of the food collection locations we have listed below.
(there are many, so there is sure to be one near you)

More Details...

1. Attached are 4 flyers on one page.
2. If you have access to a printer you can print it out or have your children copy it to make their own!
