Limited time offer, subject to change without notice. A Setup Service Fee of \$60 applies to setup your device and related services. Taxes extra. Rogers Preferred Program. Employee verification is required. Rogers reserves the right to request proof of employment from each Individually Paid Employee at any time. A one-time Employee Pricing fee of \$50 may apply for existing customers. Existing customers with in-market Rogers consumer plans with 6 months or less tenure on their term plans switching to the plan above are not eligible to receive this discount. This offer cannot be combined with any other consumer promotions and/or discounts unless made eligible by Rogers. Plan and device will be displayed separately on your bill. ¹ Where applicable, additional airtime, data, long distance, roaming, add-ons, provincial 9-1-1 fees (if applicable) and taxes are extra and billed monthly. However, there is no airtime charge for calls made to 9-1-1 from your Rogers wireless device. Plan includes calls and messages from Canada to Canadian numbers only. On the Rogers Network or in an Extended Coverage area, excluding calls made through Call Forwarding, Video Calling or similar services. * Plans include non-sharable high-speed data up to the speeds (if applicable) and allotment indicated in your plan on the Rogers network, extended coverage areas within Canada, and Roam Like Home destinations (see rogers.com/roamlikehome). Once you have reached the high-speed data allotment of your plan, you will continue to have access to data services with no coverage beyond the high-speed data allotment at a reduced speed of up to 512 kilobits per second (for both upload and download) until the end of your current billing cycle. Applications such as email, web browsing, apps, and audio/video streaming will continue to function at a reduced speed which will likely impact your experience. We will send you a text message notifying you when you have used 90% and 100% of the high-speed data allotment included in your plan with the option to purchase a Speed Pass to add more high-speed data to your plan. 5G/5G+ network access requires a compatible device and a 5G SIM card in a covered area (see rogers.com/coverage). In all cases, usage is subject to the Rogers Terms of Service and Acceptable Use Policy. ² 10GB/month data bonus available with select a Rogers plan. Ineligible plan change, plan cancellation, or phone upgrade before the end of the 24-month period will cancel the data bonus. ³ Discount of up to \$5/month available on both primary and additional lines. Excludes stick, hotspot, rocket hub, Talk & Text and Wireless Home Phone additional lines. May not be combined with any other monthly service fee discount offer unless specifically stated. Plan change or phone upgrade will cancel the discount. ⁴ A \$5/month discount is available on eligible Rogers plans available on Rogers Preferred Program to customers who set up Automatic Payments on their account (not retroactive). You must keep Automatic Payments active with an eligible plan to maintain this discount. Discount will end if you move to an ineligible plan or cancel Automatic Payments.
