Important Changes to your Extended Benefits Plan

It is important to the Authentic T-Shirt Company®/SanMar Canada that we are able to offer you, our employee, a drug plan that provides comprehensive coverage and keeps your costs low. In a time where the costs of prescription medications continue to rise, we have taken positive action to lower plan costs by introducing a convenient new pharmacy service for **medications you refill on a regular basis**.

This new service will deliver your maintenance medications **directly to you** at the address of your choice! This will lower overall costs by making the plan more efficient, while delivering high quality care and exceptional service.

All you need to do is follow these 2 easy steps:

- Learn about this service by reviewing this [brochure](#)
- Contact Express Scripts Canada by **August 26, 2015**.

Take advantage of the convenience, value and peace of mind by becoming a member of the Express Scripts Canada Pharmacy. Please note - if you choose to stay with a retail pharmacy for your maintenance medications, you will pay 100% of the cost out-of-pocket after that date.

If you have any questions, please don't hesitate to contact Kelly Secret – HR Manager. Thank you!
