HAPPY LEAP YEAR
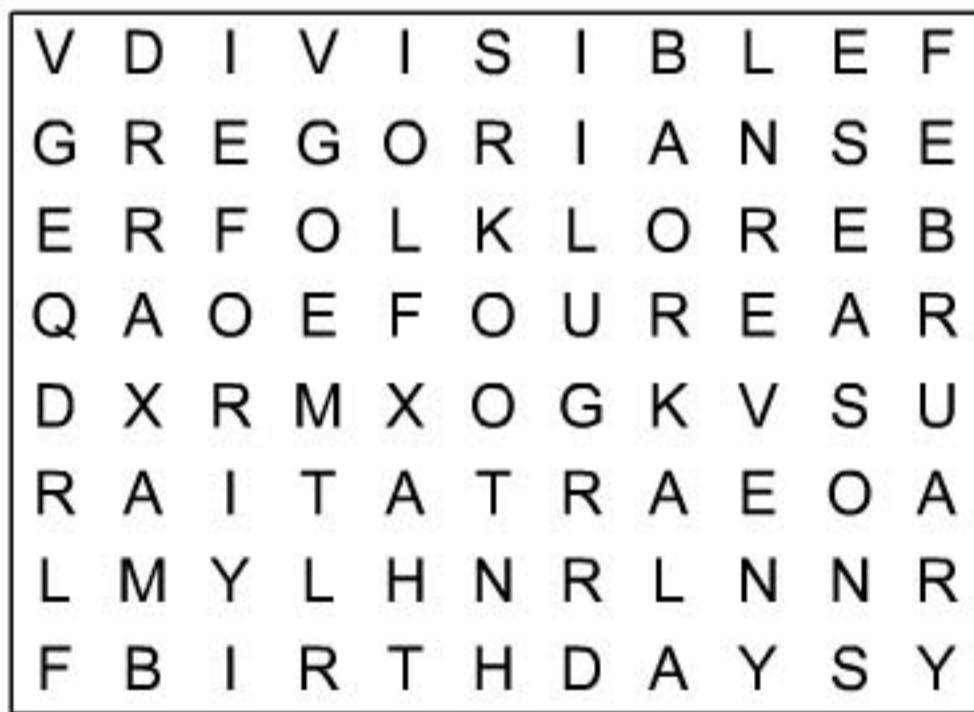

February 29 occurs every four years and is called Leap Day. This day is added to the calendar every 4 years as a corrective measure because the Earth does not orbit around the sun in precisely 365 days!

Leap Day - Word Search

How many vocabulary words can you find in this puzzle using the word bank below? Words go in only three directions.

```
V D I V I S I B L E F

intercalary	Julian	birthdays	
seasons	Roman	folklore	

I can't believe it's been only four years since you told the same leap year jokes.

someecards

"I was born in a leap year, so I only have a birthday every twenty eight years."
